

Completing a Homeschool Transcript Using Homeschool Connections

It's easy to create a high school transcript to use for applying for college, trade school, or employment. The following form will help you review and record your student's work.

At the end of each semester, make sure to record courses taken that semester and the final grades.

At the end of each school year, calculate the GPA. An easy-to-use tool can be found at www.back2college.com/gpa.htm.

Below we have three additional tools to help you create your student's high school transcript.

1. Blank transcript form.
2. Sample transcript form.
3. Sample scope and sequence.

The blank transcript form is very basic, a single page, and all you should need. However, you can make changes to it or create your own transcript form using this basic form as a foundation.

You could make it several pages long and add:

- Detailed descriptions of each course
- Details of extracurricular activities
- Awards and contests
- Special interests and accomplishments
- ACT and/or SAT scores
- Your own touch by changing fonts and colors

HIGH SCHOOL TRANSCRIPT

Name: [Name Here]
 Address: [Address Here]
 [City; State; Zip Here]
 School Name: Homeschool
 Phone: [Contact Number Here]

Gender: [M or F] Birth Date: [Date Here]
 Graduation Date: [Date Here]
 Person to Contact: [Parent Name]

Grade Level	Aca- demic Year	Course Title	Fall Semester		Spring Semester		Final		Yearly Cumulative	
			Grade	Credit	Grade	Credit	Grade	Credit	Credits	GPA
9										
10										
11										
12										

Grading Scale: A 90-100; B 80-89; C 70-79; D 60- 69; F below 60; AP Courses: A=5; B=4; C=3
 Weight for one-credit courses (120 hours): A = 4.0; B = 3.0; C = 2.0; D = 1.0; F = 0.0
 Activities: [list here sports; clubs; leadership roles; volunteer work; etc]

Basic Scope and Sequence for the College-Bound High School Student

Below is a very basic scope and sequence for high school. It is followed by a more detailed scope and sequence using Homeschool Connections Unlimited Access courses.

GRADE 9

Theology
Ancient Literature
Ancient History
Grammar and Composition
Algebra I
Earth Science or Biology
Latin I or other language

GRADE 10

Theology
Classic Literature
European History
Creative Writing
Geometry
Physical Science or Biology
Latin II or other language

GRADE 11

Theology
Modern / American Literature
American History
Vocabulary and Writing
Chemistry or elective
Algebra II or elective
Economics / Personal Finance

GRADE 12

Advanced Theology
Advanced Literature
World History
Advanced Writing
Physics or Elective
Pre-Calculus or Elective
U.S. Government / Law

Basic Scope and Sequence in Action

Here is one way a parent could plan their high school student's coursework using the above scope and sequence with Homeschool Connections Unlimited Access courses. This can easily be adjusted to your student's needs by adding, subtracting, or substituting courses.

GRADE 9

Fall

Theology: Introduction to Catholic Apologetics
