

	Physical Education			
	Music and Art			
	Other / Electives			

The Scope & Sequence lays out courses by school year. If you prefer to organize high school courses by subject, this is the form for you.

Instructions

1. Start with courses required by your state for high school graduation.
2. Add courses required by your desired post-secondary institution.
3. Add core courses you choose (for example, Theology).
4. Add elective choices.
5. Check off courses as completed.
